

TSA Grants Meridian Air Charter Operator Authorization for Ronald Reagan Airport (KDCA)

TETERBORO, NJ, November 7, 2008

Meridian Air Charter, a private aviation services company has recently been approved for access to Ronald Reagan Airport after a successful completion of a TSA operator inspection.

“With the ability to fly directly into Ronald Reagan Airport, Meridian can offer a time saving service to our valued customers,” said Tim Burke, Director of Operations Meridian Air Charter.

Meridian Air Charter’s earned DCA access authorization offers time efficiency travel over flying into other area airports such as Dulles International Airport.

Headquartered in Teterboro, New Jersey, Meridian is a full service private aviation services company; with world class aviation since 1946. Still privately owned and operated today, Meridian’s accumulated expertise offers a complete suite of professional aviation services:

- Meridian Teterboro-FBO Terminal Services
- Meridian Jet Center-FAA authorized repair station
- Meridian Air Charter
- Meridian Aircraft Management
- Meridian Jet Center Detailing
